### SEB shares entered the FTSE4Good index

Groupe SEB is pleased to announce that it entered the FTSE4Good international stock market index, which distinguishes the world's top-performing companies on the strength of their sustainable development policy.

The FTSE advisory board decision is based on an assessment of the Group's environmental commitments, social practices and governance.

Inclusion in the index, which represents a global standard, marks a new step forward for Groupe SEB following its entrance in the Vigeo indices (Europe 120 and Eurozone 120) and in Forum Ethibel (Pioneer and Excellence labels).

The listing also acknowledges the achievements and the progress made by all teams across the globe. It confirms a responsible approach to value creation over the long term, benefiting all of the Group's stakeholders, and will serve to boost the Group's visibility in the international community of investors.
