2022 GENERAL MEETING

NOTE

This presentation may contain certain forward-looking statements regarding Groupe SEB's activity, results and financial situation. These forecasts are based on assumptions which seem reasonable at this stage, but which depend on external factors including trends in commodity prices, exchange rates, the economic climate, demand in the Group's large markets and the impact of new product launches by competitors.

As a result of these uncertainties, Groupe SEB cannot be held liable for potential variance on its current forecasts, which result from unexpected events or unforeseeable developments.

The factors which could considerably influence Groupe SEB's economic and financial results are presented in the Annual Financial Report and Universal Registration Document filed with the Autorité des Marchés Financiers, the French financial markets authority. The balance sheet and income statement included in this press release are excerpted from financial statements consolidated as of December 31, 2022, examined by SEB SA's Statutory Auditors and approved by the Group's Board of Directors, dated February 22, 2023. Audit procedures on these consolidated financial statements have been performed. The certification report is in the process of being issued.

Resolution 2

- **Unqualified certification of the financial statements with no matters to report**
 - “The consolidated financial statements give a true and fair view of the assets and liabilities and of the financial position of the Group as at December 31, 2022 and of the results of its operations for the year then ended in accordance with International Financial Reporting Standards as adopted by the European Union”
- **Key audit matters**
 - Measurement of the recoverable amount of goodwill and trademarks with indefinite useful lives
 - Measurement and recognition of provisions for deferred rebates
- **No matters to report on the Group's management report**
- **Format of presentation of the consolidated financial statements (including the tagging of these financial statements)**
 - “Based on the work we have performed, we conclude that the presentation of the consolidated financial statements intended to be included in the annual financial report complies, in all material respects, with the European single electronic format”.
 - Owing to the technical limits inherent in the macro-tagging of the consolidated financial statements using the single European electronic format, it is possible that the content of certain tags in the notes accompanying the financial statements may not be reproduced in an identical way to how they are presented in the current report.
