

A catalog of objects tested in the study of inclusive design by APF France Handicap and the group SEB  
OBJECT CATALOG

Goal:  
Open the discussion on objects. Understand habits, needs, sticking points, desires and relate them to concrete design elements.

What are the objects that you use regularly?  
Which are simple or pleasant to use?  
Which ones are complicated to use?  
What are the items that you never use?  
Why?  
What are the items you would like to use?  
Why?
